ARCHANA P

SOC Analyst L1

archana.p2442@gmail.com | +91 9778562319 | LinkedIn | GitHub | Medium | Portfolio | Kerala, India

PROFESSIONAL SUMMARY

Computer Science graduate with a strong foundation in Cybersecurity, Networking, and Security Operations. Skilled in SIEM monitoring, alert triage, log analysis, and incident response using Splunk and Wazuh. Experienced in threat detection, MITRE ATT&CK mapping, and investigating security events across Windows and Linux in a 24×7 SOC.

SKILLS

- SOC Operations
- Alert Triage
- Log Analysis
- SIEM Monitoring
- Endpoint Monitoring
- Threat Hunting
- Event Correlation
- IOC Analysis
- Incident Response
- Network Security
- Threat Detection
- EDR / XDR

TOOLS

- Splunk
- Wazuh
- Elastic Stack
- Wireshark
- Snort
- Suricata
- VirusTotal
- TheHive
- n8n
- Nmap
- Metasploit
- Burp Suite

PROJECTS & LABS

AI-Assisted SOC Alert Automation — Splunk, n8n, Ollama

- Built an automated SOC alert pipeline using Splunk SIEM to detect RDP brute-force attacks from Windows logs.
- Integrated n8n automation and Ollama LLM to analyze alerts and send real-time SOC notifications to Slack.

Threat Detection and Log Analysis using Wazuh SIEM

- Deployed Wazuh SIEM for centralized log collection, security monitoring, and threat detection across Windows and Linux endpoints.
- Implemented RDP/SSH brute-force detection, FIM, VirusTotal IOC checks, and Suricata IDS integration.

TryHackMe Cybersecurity Training

- Completed 50+ hands-on cybersecurity labs focused on SOC operations, threat detection, and Linux security.
- Practiced log analysis, incident investigation, enumeration, and privilege escalation through TryHackMe rooms and SOC simulations.

EXPERIENCE

Cyber Security Trainee July 2024 – January 2025

Offenso Hackers Academy

- Developed a strong foundation in cybersecurity principles, threat detection, and security monitoring practices.
- Performed incident investigation, vulnerability analysis, and threat identification in simulated environments.

EDUCATION

B.Sc. Computer Science September 2022 – March 2025

University of Calicut

CERTIFICATIONS

- Offenso Certified Security Professional (OCSP)
- Introduction to Cybersecurity – Cisco Networking Academy
